

# FEDERAL JURY INDICTS JEFF M'CARN

United States District Attorney Jeff McCarn and Copy of  
Endorsement of Federal Grand Jury Indictment for Felony  
Returned Against Him and on Which He Is to Be Arraigned.

No. 980

District Court United States,

THE UNITED STATES

JEFF McCARN

INDICTMENT

Violation Section 276 of the  
Penal Code.

A TRUE BILL

(sgd) J. M. Rizzo Foreman.

Filed June 24th., A. D. 1914

A. B. MURPHY Clerk.

By (sgd) F. L. Davis Deputy  
ALEXANDER LINDSAY, JR.  
Special Assistant to the  
Attorney Generalwill not resign under any circumstances  
—at least not while he is under fire.A rumor, started yesterday, to the  
effect that, considering the able manner  
in which Judge Lindsay had conducted  
the investigation before the grand jury,  
he would be the logical successor to Mr.  
McCarn as district attorney as soon as  
a vacancy was created, found little cred-  
ence, especially when it was learned  
that Judge Lindsay is far from finished  
with the work which the attorney gen-  
eral of the United States has placed in  
his charge.Under the instructions received by  
Judge Lindsay from his superior, it will  
be Lindsay's duty to conduct the pro-  
secution against McCarn on the charge  
brought against the latter by the fed-  
eral grand jury. District Attorney Mc-  
Carn will be arraigned this morning be-  
fore Judge Clemens at ten o'clock, but  
it is not believed that the defendant  
will plead yet to the charge. It is be-  
lieved that some motion will be inter-  
posed which will delay the plea, and  
the peculiar situation which now ex-  
ists, due to the fact that McCarn is  
also under indictment by the territorial  
grand jury on a similar charge, will  
possibly be used as the ground for a  
stiff technical fight.District Attorney McCarn has been  
ordered to plead before Judge William  
J. Robinson in the first circuit court  
on Saturday morning at nine o'clock.  
What effect, if any, the indictment  
brought by the federal grand jury will  
have in the territorial court, can not  
be said at this time.

Copy of Indictment.

The indictment returned against Mr.  
McCarn reads as follows:  
"United States of America" vs.  
"District of Hawaii" vs.  
"In the district court of the United  
States, in and for the district afore-  
said, at the April term thereof, A. D.  
1914.The grand jurors of the United  
States, impaneled, sworn, and charged  
at the term aforesaid, of the court  
aforesaid, on their oath present, that  
Jeff McCarn of the city and county of  
Honolulu, District of Hawaii, on the  
5th day of May, in the year of our  
Lord nineteen hundred and fourteen, in  
the said district and within the juris-  
diction of said court, at the city and  
county of Honolulu, District of Hawa-  
ii, within and on certain land and  
premises acquired for the exclusive useof the United States and under the  
exclusive jurisdiction thereof, to wit:  
those certain premises situated in said  
city and county of Honolulu, District  
of Hawaii, acquired and used by the  
said United States for judicial and other  
purposes, and on the said 5th day  
of May, 1914, so used for said judicial  
and other purposes and subject to the  
exclusive jurisdiction of the United  
States, with force and arms, feloniously,  
willfully and unlawfully, and with  
intent to do bodily harm to one Claudi-  
us McBride, then and there being,  
in and upon said Claudiu McBride  
McBride, and without just cause or  
excuse, with a dangerous weapon, to  
wit, a certain revolver charged and  
loaded with gun powder and leaden bul-  
lets, which the said Jeff McCarn in  
his hand then and there held, an assault  
did make contrary to the form of the  
statute in such case made and provided,  
and against the peace and dignity of  
the United States.

# SETTLERS MUST SHOW RECIPROCITY

McBryde Management Says Cane  
Will Be Ground Only on Agree-  
ments Previously Made.The trouble of a few months ago be-  
tween certain home-owners at Kala-  
heo and the McBryde Sugar Company  
will be recalled by the following letter,  
which, reports the Garden Island of  
Tuesday, has been received by the set-  
tlers in that locality:  
"To the Kalaheo Home-owners,"Sir: The McBryde Sugar Com-  
pany has endeavored to co-operate in  
friendly relations with the home-own-  
ers generally, and wishes to continue to  
do so as long as its attitude is re-  
ciprocated."But a disposition has recently been  
shown on the part of several of your  
number to infringe established rights  
of the plantation, more particularly as  
regards rights of way for transmission  
of water and to presume that no mat-  
ter what antagonism may be displayed  
toward the plantation, the plantation  
may be expected, as a matter of course,  
to take or grind cane or otherwise con-  
tinue to assist such persons."This company has heretofore  
agreed to take certain cane crops  
planted by home-owners, and will con-  
tinue to do so whether satisfactory  
terms are first mutually agreed upon  
and the plantation's rights with respect  
to water and waterways are recog-  
nized."Notice is hereby given to all home-  
owners and others that the company  
will not, except at its own option, take  
or grind cane unless previously con-  
tracted for; and all persons are hereby  
warned not to plant cane for this plan-  
tation under any other expectation."This company, in facing the sugar  
outlook and its own particular prob-  
lems, needs encouragement and good  
will rather than petty antagonism, and  
it is sincerely hoped that the general  
friendly attitude which most of you  
have shown will continue, and that the  
benefit of this, not only to the plan-  
tation but to our locality in general, will  
be also realized by the few who appar-  
ently have not on the matter their  
serious consideration."Yours very truly,  
"The McBryde Sugar Co., Ltd.,  
"Per F. A. Alexander, Manager."Made from Virginia Cherry Wood  
—Presented to Hawaiian So-  
ciety, Sons of Ameri-  
can Revolution.Not the same little hatchet wielded  
by little George Washington, but one  
supposed to be just like it, served as  
a gavel at the fourteenth annual meet-  
ing of the Hawaiian Society, Sons of  
the American Revolution, held at the  
Y. M. C. A. at noon yesterday. It was  
owned by the retiring president, Per-  
ley L. Horne, and by Dr. S. D. Barnes,  
elected to succeed him, but was first  
passed about among the members  
present for their closer scrutiny—and  
admiration.President Horne, in explanation of  
the acquisition of the memento, read  
a letter from the donor, President Gen-  
eral F. C. B. Thurston of Louisville,  
Kentucky, who said:  
"Three years ago when the congress  
of our national society was held in  
Louisville, I tried to get a George  
Washington hatchet to be used as a  
gavel on that occasion, but failing that  
I followed another tack."The father of our country was born  
at 'Wakefield' in Westmoreland county,  
Virginia, in 1732. Sometime ago I  
obtained a log of the wild cherry tree  
and also obtained from the Smith-  
sonian Institute, through our secretary  
general, Howard Clark, the size  
and design of the hatchet used in  
General Washington's youth, the log  
having been secured from the present  
owners of the 'Wakefield' estate."Following this description I have  
had this log made into these hatchets  
and it gives me great pleasure to send  
one to you for the use of the Hawaiian  
Society, which I trust you will accept  
with my best wishes for your con-  
tinued prosperity.Upon motion of P. C. Jones, first  
president of the Hawaiian Society, the  
gift was accepted and the secretary,  
instructed to express appreciation in a  
letter to the president general.  
Officers were then elected as follows:  
Dr. S. D. Barnes, president; William C.  
Parke, vice president; William J.  
Forbes, treasurer; Col. J. W. Jones,  
secretary; Howard C. Mohr, registra-  
r; L. A. Thurston, F. R. Nugent and Al-  
bert F. Judd, board of managers.W. R. Castle and others favored the  
participation of the society in the ob-  
servation of the Fourth of July and it  
was decided to offer to cooperate with  
the Chamber of Commerce in the ob-  
servance of exercises on that day.

the wedding ceremony the couple were

# DESERTS SHIP FOR HIS BRIDE

Pursuer Petrocelli Reported to  
Have Quit Korea on Coast in  
Order to Go on Honeymoon.Having surrendered to Cupid as the  
culmination of a romance which had  
its inception at sea several months ago  
Pursuer G. J. Petrocelli probably will  
not be at his accustomed post on the  
Pacific Mail liner Korea when it ar-  
rives here from San Francisco tomor-  
row.On the steamer's last trip to the  
Orient the heroine of the love affair,  
Miss Ruby Lesher, daughter of the  
American consul at Tapachula, Mexico,  
was a passenger aboard the vessel, being  
accompanied by her mother. When  
the liner returned to the coast the  
couple were married, the ceremony tak-  
ing place the night of June 18 in  
Trinity Episcopal Church at San Fran-  
cisco.The romance began while Mr. Petro-  
celli was pursuer on a Pacific Mail steam-  
er operating between San Francisco and  
Manzanillo. During one of his voy-  
ages the present Mrs. Petrocelli was  
a passenger on the same vessel and  
was Cupid's arrow and improved his  
initial opportunity. Thereafter the young  
woman invariably traveled on Petro-  
celli's ship and the courtship continued  
to its inevitable climax.

# PROGRESSIVES HOLD MEETING IN PALAMA

(From Thursday Advertiser.)

A well-attended meeting of Progress-  
ives was held on Tuesday night at Pa-  
lama Settlement, for the purpose of con-  
sidering the proposed platform of the  
party. A standing roll-call disclosed that  
the fifty present were about equally di-  
vided between the ninth and the eleventh  
precincts, the twelfth being represented  
by but ten members. As the party rules  
require three members to form a quorum,  
it was ruled that the twelfth precinct  
was not represented at the meeting.F. D. Croodon was chosen chairman and  
T. K. Pa secretary.  
The various planks of the platform  
were then assented to separately, amend-  
ments being recommended in the fifth  
and twelfth.Two new planks, introduced by W. K.  
Kalehuia, were favorably reported to the  
platform committee.  
A vote of thanks to the Palama Settle-  
ment for the use of their room was unani-  
mously carried.The Progressives of Hanalei, the third  
precinct of the fifth district, have elected  
the following officers for their Progressive  
precinct club: Lyons K. Naone, presi-  
dent; L. M. Kamaui, secretary; Samuel  
Mahulu, treasurer.The last mail from Maui brings the  
announcement that at Olowalu, on June  
21, those interested in the Progressive  
party assembled and formed the precinct  
club of the fourth precinct of the third  
district, electing the following as their  
officers: President, John Saffery; sec-  
retary, Joseph Kalamai; treasurer, Henry  
Saffery; county committeemen, James Pa-  
lakiko, Henry Kane and J. L. Papalumi  
of Honolulu addressed the meeting.At Lahaina, Maui, on June 22, the  
Progressive precinct club of the third  
precinct of the third district was or-  
ganized by the election of the following  
members as officers: John P. Kamaui,  
president; D. H. Maheka, vice-presi-  
dent; E. S. Napaepe, secretary; James  
McNulu, treasurer; John Little, county  
committeeman.

# Former Honolulu Now in Hilo Would Come to Legislature as Republican.

Thomas E. Cook, civil engineer and  
surveyor and a former resident of Hon-  
olulu, will announce in Ka Hoku o  
Hawaii, Rev. S. L. Desha's Hilo Hawa-  
ian weekly, this week his candidacy  
on the Republican ticket for nomina-  
tion as a candidate from the first rep-  
resentative district to the house of rep-  
resentatives.Cook has, on several occasions, de-  
clined to stand for the house, but his  
friends have been so insistent of late  
in this respect that he has finally ac-  
cceeded to their requests. Among other  
known candidates on the Republican  
ticket from Hilo will be Norman S.  
Lyman, Dr. George B. Hildy and  
Capt. Evangelino da Silva, who were  
members of the last legislature.With the candidacy of Thomas E.  
Cook comes the further announcement  
that the Progressive Party of Hawaii  
is losing one of its staunchest support-  
ers in Hilo, Cook having been consid-  
ered by the Progressives as a certain  
adherent of the "eleventh-hour party."Cook, however, has always main-  
tained that he would not affiliate  
with the Bull Moosers.

# SUPPOSED SUGAR COULD BE MINED

"The book, 'The Master Planter,' I  
loaned to several of my friends, and they  
pronounce it a fine story, told in the best  
manner possible. The subject is a bit  
deep for people raised in the city, who  
know nothing of planting beyond their  
8x10 gardens and potted plants; but the  
story of the struggle and success of that  
Karson has a ring that is true, and holds  
the most general reader to the end with  
the result that some of us, who didn't  
know whether sugar was mined like coal  
or made out of salt, learned a most in-  
teresting truth; and the general infor-  
mation about Hawaii makes a fellow  
traveler feel that he is not far from a  
private letter from Chicago, dated June  
1914, P. Gutz."Mrs. G. J. Petrocelli, Bride of  
Popular Pursuer of the Steamer  
Korea, Who Was Formerly Miss  
Ruby Lesher.

## COLONEL MCGUNNIGLE CELEBRATES BIRTHDAY

Col. George K. McGunnigle on Mon-  
day celebrated the sixtieth anniversary  
of his birth, and the officers of the  
First Infantry Regiment at Schofield  
Barracks made it an occasion to enter-  
tain their regular commander at a din-  
ner and dance. The dinner was solely  
a regimental affair, but at the dance  
which followed there were a number  
of invited guests, including Brig. Gen.  
Clarence R. Edwards and family, to-  
gether with his two personal aides,  
Lieutenants Gary L. Crockett and R.  
P. Gutz.

# CITIZENS ARE SNUBBED BY CITY DADS

Property Owners Appear at City  
Hall to Discuss Frontage Tax  
Before Supervisors But Only  
One Member of Board Is Pres-  
ent to Receive Them—Lawmak-  
ers Evading Issue, Is Belief.

(From Thursday Advertiser.)

Fourteen citizens including repre-  
sentative property owners from Manoa  
and a delegation from the Chamber of  
Commerce committee on county and  
municipal affairs waited three quarters  
of an hour at the city hall last night,  
but only Mayor J. J. Fern and Super-  
visor Petrie showed up.At a special meeting called on Wed-  
nesday of last week to discuss the im-  
plication of the frontage tax law many  
citizens were present but only two of  
the supervisors put in an appearance.  
The citizens at that time asked that  
this important discussion be postponed,  
until there could be at least a quorum,  
if not a full board of supervisors.Last night was set as a suitable and  
convenient date when all could be  
present. But last night only one su-  
pervisor was game.

## Recess Is Taken.

Mayor Fern continued the meeting  
until next Saturday, June 27, at  
twelve-fifteen o'clock. The mayor  
said that there is bound to be a full  
attendance of the supervisors at that  
time because the monthly pay rolls  
are going to come up for passage.W. O. Smith again stated for the in-  
formation of the board that this is a  
subject in which the taxpayers are in-  
tensely interested.We are not opposing the principle  
of the law," he said, "but these are  
hard times. Individuals in the com-  
munity have been forced to adopt  
many economies because private in-  
comes have been greatly reduced. It  
is necessary that the government  
should also practice economy. There  
is a question of fairness to individual  
property owners and to the public at  
large in the application of this front-  
age tax law. We, as citizens, have  
asked the supervisors to give these  
questions their attention and consid-  
eration—we expect the supervisors to  
give us a hearing."Supervisor Petrie remarked, sotto  
voce, that "the citizens had better  
spring this frontage tax business some  
time when the supervisors do not  
know what is coming."A very warm bunch of citizens hung  
around the city hall last night after  
the adjournment and said many un-  
pleasant things about the City Fathers.If the Saturday meeting should be  
called off at 12:15 a. m., instead of  
12:15 p. m., no one would be surprised  
because it is very evident that the su-  
pervisors do not wish to go on record  
on the frontage tax question with an  
audience of prominent citizens present.

# 298 JAPANESE FORM NEW ICE COMPANY

Articles of association were filed yester-  
day with Territorial Treasurer D. L.  
Conkling by the Honolulu Ice & Re-  
frigerating Company, through its at-  
torneys, Douthett & Coke. In a letter  
signed by Attorney James L. Coke, the  
treasurer is asked to expedite the grant-  
ing of a charter before next Monday, as  
Senator Cooke expects to leave on that  
day for Denver, Colorado, where he will  
attend the B. P. O. E. annual conven-  
tion as a delegate from the local lodge  
of Elks. Treasurer Conkling will sub-  
mit the application for a charter today  
to Attorney General Ingram M. Stain-  
back for approval as to form.The new company, which is expected  
soon to enter the ice and refrigerating  
business in Honolulu, is capitalized at  
\$75,000, the capital being divided into  
7500 shares of the par value each of  
ten dollars. The privilege is retained,  
however, of increasing the capital stock  
to \$1,000,000, should the business of  
the company at any time warrant this  
increase, or so much of it as may be  
necessary.Of the 7500 shares, 5729 shares have  
already been subscribed, this portion of  
the stock representing a capital stock  
in the sum of \$57,290. On this amount  
ten per cent, the minimum required by  
law, amounting to \$5729, has already  
been paid into the treasury of the new  
company. The company is to have a  
charter life of fifty years, and its prin-  
cipal business office is to be maintained  
in Honolulu.The stock already subscribed has  
been taken by 298 persons, all of whom,  
with the exception of Manuel Johnson,  
George R. Clark, G. J. Wana, Joseph  
Dowson and Henry Brenkamp, are  
Japanese. The officers of the new com-  
pany are:Kikutaro Tanabe, president; Kataro  
Sato, vice-president; Shosbro Mura-  
kami, secretary; Shinkichi Uyeda,  
treasurer; Joseph Dowson, Shinkichi  
Kuba, Senkichi Miwa, Kuro Kurita  
and Jutaro Yasuda, directors.
